**SCIO Health Analytics<sup>®</sup> Sponsoring and Exhibiting at Veeva  
Commercial & Medical Summit – Europe**

***MEDIA ADVISORY***

**WEST HARTFORD, Conn. – November 20, 2018**

**WHAT:**

SCIO Health Analytics<sup>®</sup>, an EXL Company, will be returning as a sponsor and exhibitor at the Veeva Commercial & Medical Summit – Europe, being held December 3-5, at the Madrid Marriott Auditorium Hotel & Conference Center. This annual two-day conference brings together commercial and medical affairs professionals from across the European life sciences industry. It's a great opportunity to learn, share, and network.

**TOPIC:**

SCIO Health Analytics has been a Veeva Services Partner for some time. During the conference, SCIO will have an opportunity to discuss ways for Veeva clients to maximize the value of their Veeva investments, including integrating SCIO's advanced analytics capabilities into Veeva installation workflows.

"We're excited to sponsor and exhibit at this year's Veeva Summit in Madrid," John Pagliuca, SCIO's Vice President of Life Sciences said. "We recognize Veeva's market leadership position and look forward to working with Veeva and its clients to maximize the value of their investments."

SCIO will also promote its advanced analytics capabilities and business intelligence systems that support pharmaceutical clients' quest for commercial excellence.

**INTERVIEW OPPORTUNITY:**

**John Pagliuca**, *Vice President*, SCIO Health Analytics.

Contact Brandon Glenn at [bglenn@acmarketingpr.com](mailto:bglenn@acmarketingpr.com) to schedule a meeting. Post-event interviews can also be arranged.

**TIME and PLACE:**

Monday-Wednesday, December 3-5, 2018 – SCIO Health Analytics at the Veeva Commercial & Medical Summit – Europe. Madrid Marriott Auditorium Hotel & Conference Center, Avenida de Aragon, No 400, Madrid 28022, Spain.

## About SCIO Health Analytics

SCIO Health Analytics®, an EXL company, is a leading health analytics solution and services company. It serves over 100 healthcare organizations representing over 150 million covered lives across the continuum including providers, health plans, PBMs, employers, health services and global life sciences companies.

SCIO provides predictive analytic solutions and services that transform data into actionable insights, helping healthcare organizations create the understanding that drives change and proven outcomes. SCIO delivers more than \$540 million in client value annually through the elimination of healthcare waste and improved performance associated with its reimbursement and care optimization solutions.

Through SCIO's value-based approach that enables healthcare organizations to reduce the total cost of care while improving care quality, SCIO is dedicated to helping our clients solve the underlying issues that lead to excessive spending and suboptimal outcomes.
